The regular meeting of the city fathers was held in the council chamber on Tuesday evening, with all the members present.

Afternoon discussion, it was moved by Wallace Outler—that tender of L. G. Kelley be accepted, and that a suitable contract be entered with him. Carried.

The fire and water committee reported that they were fixing up another room at the fire hall at a cost of about \$35 and that two additional firemen would sleep on the premises. Outler-Wallace. That the action of the fire and water committee be endorsed. Carried.

The finance committee recommended that W. L. Crane be appointed assessor for the year 1914, and that he be paid \$10 a month additional salary for the performance of these duties. Outler-Gross. That the report be adopted. Carried.

Ald. Outler then introduced by-law No. 227, approving W. L. Crane as assessor for the current year, which was read three times and finally passed.

Ald. Wallace then introduced by-law No. 228, which amended the license by-law. The principal changes in the by-law are:

Hawkers and peddlars will now pay a license of \$15 a month, instead of \$100 a year, as formerly.

Street vendors, whether selling by auction, or in any other manner, must now procure a \$100 license for the first month, and \$50 for subsequent months, instead of \$500 for the year as previously.

The license to exhibit natural or artificial curiosities, panoramas, etc., \$10 a day.

License to exhibit tight walking, pyro shows, etc., \$25 a day.

License for hypnotism, palmistry, jugglery, etc., \$10 a day.

The license for circuses remains at \$100 a day, but a clause is added giving the council power to reduce the fee if they deem it advisable.

The clause providing that real estate agents moving pictures, houses, insurance agents, and hotels, shall pay licenses was repealed.

The by-law provides that the penalty for violating any of the clauses shall be up to \$100 and imprisonment, or 30 days imprisonment.

Meeting adjourned until Tuesday evening next.

## The Crystals Play Tie Game at Lacombe

Hold Their Own with one of the Fastest Senior Teams in the Province. Games to be Played Here This Week

The Crystals played an exhibition very fast as the Aztec Revillon's led game with Lacombe on Saturday night. The game was very close and was witnessed by a large crowd the score resulted in tie. Although the score was a tie the Crystals should have won as they had the better part of the play. The Lacombe team is a heavier and more experienced than the Crystals and practically all senior calibre. For the Crystals, Lake scored 10 points. The next game is to be played Thursday night between the Crystals and another on Saturday night between the Aztec Revillon's and the Crystals. This game should be a big one.

The many friends of Mr. Ben Purnell, will be surprised to learn that he passed away, at his home here last evening. He had been ill since about a week with an abscess in the head. He had conducted a business territory for several years in this city for several years, and was in a fifty-eight year. The funeral will take place from the family residence tomorrow (Friday) at 2:30 the interment being in the Wetaskiwin cemetery.

### EDUCATIONAL CLUB

A paper that was in every way exceptional, and excellent, throughout was given at the Literary Club meeting held in the kindergarten room of the Alexander school on Monday evening 1st, by Mr. M. O. Nelson, Mr. J. P. Poole was in the chair and it was not hard to discover that he is a reader of history.

### WHY NOT "GRAUSTARK"

We notice in an article headed "Business Men in Theatricals" that the United Play Company, many of Chicago has taken over the western territory for several New York and London dramatic successes, including the famous play "Graustark". Why can't we have this splendid attraction in our city?

### MAY VISIT HERE

Manager Angus says he has received a date from the United Play Company that a date might be arranged here for "Graustark". This is the first of an attraction we want in a communication from the office of the city.

### HIGH SCHOOL LITERARY SOCIETY

The Wetaskiwin High School Literary and Debating Society assembled for the second time on Friday afternoon in the kindergarten room. The business part of the meeting consisted of the reading of the minutes and adoption of same. The report of the constitution and by-law committee was read by Rev. R. B. Rosseter and accepted as the constitution of the future most auspicious. The program opened with a pleasing piano solo selection by Jean Ramsey. Lillian J. W. read the paper, under the leadership of Miss Smith, sang "Canada, Land of the Free", after which two interesting essays taken from the "Theatre" were read by Miss Ramsey and Alice Kaplan. Very humorous indeed was the address on "Wan on Sa-ra-a" by Miss Ramsey. The paper on the recitation, "Betty and the Bear." All appreciated (if not interested) the dialogue "The French Lesson" from Shakespeare's "Henry V." by the Misses Lenie Thomas and Germain Carey. The orator of the occasion provided for the evening, which delivered his address on "Sir J. P. Watkinson" in a very able manner. Mr. Asselstine was the critic and after giving his meagre criticism, he then proceeded to sing the program was brought to a close by singing the National Anthem.

## To Suffer From Headaches

MAKES LIFE MISERABLE

It takes a person who has had and is subject to headache to describe the suffering which it causes. The dull throbbing, the intense pain, sometimes in one part of the head, sometimes in another, and then again over the whole head, varying in its severity by the cause which brings it on, purely indicates that there is something amiss with the system. The fact that Burdock Blood Bitters reaches the seat of the trouble is due to its success in relieving and permanently curing the cause of the headache.

Mrs. Anderson, 410 13th Ave. East, Calgary, Alta., writes: "For three years I was troubled all the time with sick headaches, and suffered also with constipation, and kept breaking out in pimples and sores on my face. I tried everything till at last a friend told me of Burdock Blood Bitters. I took two bottles, and my skin is as clear and pure as a baby's, and I have never been troubled with the headache since."

Burdock Blood Bitters is manufactured only by The T. Millburn Co., Limited, Toronto, Ont.

## FIVE NEW MOUNTED POLICE POSTS ARE ESTABLISHED

Ottawa, Jan. 23.—The annual report of the Royal Northwest Mounted Police was tabled in the Commons to day by Frederick Burton, Comptroller of the Treasury. In his introductory remarks, he stated that on September 30 the strength of the force was 55 officers, 78 non-commissioned officers and constables and a decrease of 14 horses. The strength in Saskatchewan is the greatest because the headquarters and depot are at Regina and therefore all the administrative staff and recruits under training are included.

The force is distributed in the following provinces as follows:

Division	Detachment	Posts	Units
Alberta	1	5	95
Saskatchewan	4	22	22
Manitoba	1	5	5
Yukon Territory	1	11	0
Northwest Territory	1	6	0
Totals	11	21	211

Three new detachments were established on the route to the Chishana goldfields in Alaska, which passes through Canadian territory.

Two detachments were opened at Port Simpson and Port Resolution on the Mackenzie River, in the North west Territory. Outposts were also established at Port McMurtry, Dugway and Lake Saskatchewan in the Peace River district and at Port Nelson, on the Hudson Bay.

## HOME SWEET HOME

Oh! Home! It is a sacred place—or was, in olden days, before the people learned to chase to wrong picture plays; to tapso and such things, to skating on a floor; and now the youth full laughter rings within the home. You will recall old times and the home, the homes of long ago, and you will recall the friends, the children, the neighbors' kids would come along with your own kids to play, and merry as a bird song the evening passed away. An evening spent away from home in olden days was rare; the children had to be taken to room for pleasure elsewhere. But now your home is but a shell where you sleep and eat; it serves that purpose very well—their home is on the street. Their home is where the lights are bright where rag-time music flows, their n-o-y's the middle of the night, their friends are—Lord, who knows? The windows of your home are dark, and silence broods o'er all, you call it Home—God save the mark! "Tis but a sty or stall!"

WALT MARION.

## Don't Do Housework

BERRY WAS SO BAD.

Mrs. Thomas, Melville, Saskatoon, writes: "I thought it my duty to write and tell you how much your Millburn's Heart and Nerve Pills did for me. My heart was so bad I could not sleep, eat, or walk about the house. I could not do my housework at all, what my husband could not do had to go outside. I had two small children depending on me besides three men to cook for, and I worried me to not be able to do anything. My husband had taken some of your pills, some years ago, and insisted on me trying them, so I started, and before I had taken them two weeks I was considerably better, and before I had taken two boxes I was doing my own work again. Anyone suffering from heart or nerve trouble of any kind should just give your pills a trial. If anyone cares to write to me I will gladly give them all the information I know concerning your wonderful medicine."

Millburn's Heart and Nerve Pills are 50c per box, or 3 boxes for \$1.25, at all dealers, or mailed direct on receipt of price by The T. Millburn Co., Limited, Toronto, Ont.

IT IS KNOWN FAR AND WIDE AS ONE OF THE BEST LOCAL PAPERS PUBLISHED IN THE PROVINCE. HERE IS A GREAT OPPORTUNITY FOR THE PEOPLE OF THIS DISTRICT TO SECURE TWO FIRST CLASS PAPERS FOR LESS THAN THEY EVER WILL AGAIN. TO ALL WHO ENTER THE CONTEST, WE OFFER PRIZES WORTH WORKING FOR.

Commencing to-day, the Times will inaugurate the most important voting contest ever known in the history of newspapers in this district, \$300 in cash prizes will be distributed to the parties who engage in this big circulation campaign, and they will all be awarded on a basis of votes secured in return for subscriptions collected. This means that an old subscriber of the Times may secure a full year's subscription to the Canadian Countryman by paying his renewal to the Times and adding \$1.00. A new subscriber may get a full year's subscription to the Times and a half year's subscription to the Canadian Countryman, all for \$2.00.

Study the voting power of subscriptions carefully. It will be noticed that subscriptions to the Canadian Countryman bring more votes. Candidates should therefore devote more time to "Countryman" subscriptions.

Send all subscriptions and remittances to the Campaign Manager, "The Times Wetaskiwin, Alberta," and upon receipt of same, vote certificates will be issued, and returned or voted as requested by the candidate, according to the conditions of the campaign. All cheques, drafts, money orders, etc., are to be made payable at par, to the Wetaskiwin Times, Wetaskiwin.

Candidates in "The Times" \$300 Cash Prize Circulation Campaign are not entering a game of chance for they are all rewarded.

GUARANTEED RELIEF

FROM ALL BOWEL ILLS

If your bowels are out of order, instead of using some harsh salt or other physic, take a small Oxidant tonight, and tomorrow you will feel great. They taste good and act so easily that there isn't a particle of griping or purging, nor the excessive looseness that follows the taking of salts and most pills. They soothe and strengthen the bowels, promptly relieving the irritation, making it unlikely to occur again.

We don't believe there is any other bowel remedy anywhere near as good, and at the same time so easy and pleasant to take as Oxidant. We know you will agree with us and believe you will think we are telling you about them. If they don't satisfy you in every way, come back and we will give you back your money without a word of question. You have no reason to hesitate when we give you this money back, as we hereby do, to try them at our risk. Invest pocket tin boxes: 25c, 50c. You can buy Oxidant only at: The Rexall Stores, and in their town only at:

## Town Topics

Lacombe and Wetaskiwin Business Colleges have challenged one another to see which school holds the record in shorthand and type-writing. The competition will take place in about two weeks, with Professor Fred Price as judge. Both schools hold excellent records in speed, and the result will be very interesting. Good luck to you Lacombe, and see you keep up your reputation.—Globe.

At the regular monthly meeting of the Y.W.C.U. held on Tuesday evening it was decided to hold the Silver Medal Contest on Friday, Feb. 27. Very interesting papers on the lives and work of Jennie Cawdy and Frances E. Willard were given by Miss Baily and Miss Jordan. The next work meeting will be at the Methodist Parsonage on Friday, Feb. 20th, at 8 p.m. A cordial invitation is extended to all young ladies.

It is only two weeks ago that the price of flour was reduced from five to four and a half per cent. Shortly after it was cut to four and at the same time a reduction was made at Bells. Flour is expected to follow suit in a few days. Since that time it has been reduced to three per cent. The signs of improved monetary conditions are unmistakable everywhere. The most confirmed bears for the next year on the New York stock exchange are now definitely raising themselves off the bull side of the market.

London, Feb. 2.—A tramload of locusts in the Locomotive trading will be in today, meeting 1500,000 men who have agreed to sign the terms of a peace by the employers, submitting themselves to a penalty of five dollars for refusal to work with non-unionists. The locusts form the revenge of the employers for the sporadic strikes which have been of frequent occurrence. A general strike was threatened in the summer when the men sought to drive out the non-unionists. A number of idleness would have been disastrous for the employers whilst a winter idleness would have been disastrous for the employers, whilst a winter idleness hurts the men most.

Good progress is being made on the construction of the Lacombe and Blind man Valley Railway, an electric line which will run from Lacombe westward through beautiful Gull Lake through the valley of the Blindman river according to W. H. Scott, of Scott & Yeager, who have the contract for building the line. The capital for the line is furnished by people of Lacombe and district. Any of the shareholders being farmers in the vicinity which the railway will serve, and it is the first line to have advantage of the legislation passed at the last session of the provincial house to assist what is known as light railways. It is expected that the line will be finished at least as Gull Lake by next June.—Capital.

Mr. Geo. Hamel of the Blind Hotel better known as "Frenchie" with his wife and daughter escape from what might have been a serious case of fire. Friday—the 20th of January 1914.

When a few hundred feet north of the hospital their horse "Geyo" overturned the car and landed the occupants together with the robes and cushions in the middle of the road, and bolted for the Barn. The horse was stopped at the corner of Railway St. and 10th St. W. by Mr. John Wick and handed over to the Critter Barn where he is a boarder.

Some friends then took the horse and went to the rescue of Frenchie and his wife, both of whom we are glad to say were unhurt. The horse and car were only received very slight damages. Frenchie you must be more careful when you take the Fresh air.

ALL HAVE READ IT

"Grouse" in dramatic form is proving as great a success as it was a book. Wherever the play has been presented it has received nothing but praise. Manager Angus is still negotiating with some hope of securing this splendid attraction for a date here. It is to be hoped that it will be successful.

A PORTUNE IN FURS ARRIVES AT EDMONTON

Edmonton, Jan. 31.—With eight teams of mares dragging, or many sleighs, Colin Fraser, the well known fur trader of the north accompanied by twenty men, arrived at Edmonton yesterday morning with a cargo of furs, the value of which cannot be much less than one hundred thousand dollars. They had come this time from Fort Chipewyan a distance of five hundred miles in the coldest time of weather the thermometer once descending to sixty below.

They have forty live silver foxes with them and their furs include the following: 25 black foxes, 75 silver foxes, 150 ermine foxes, 25 red foxes, 15 white foxes, 450 martens, 375 mink, 50 fisher, 75 otter.

It is one of the largest fur shipments ever made to Edmonton from the north and demonstrates the possibilities of the trade in that part of the province.

## Two and a Half Hours on Operating Table

Specialist Could Not Remove Stone in the Bladder

GIN PILLS PASSED IT

JOLIETTE, P.O. "During August last, I went to Montreal to consult a specialist as I had been suffering terribly with Stone in the bladder.

He decided to operate but said the stone was too large to remove and too hard to crush. I returned home and was recommended by a friend to try GIN PILLS.

They relieved the pain. I took two boxes and went back to the specialist. He said the stone was smaller but he could not remove it although he tried for two hours and a half. I returned home and continued to take GIN PILLS, and in my great surprise and joy, I passed the stone.

GIN PILLS are the best medicine in the world and because they did me so much good, I will recommend them to all the rest of my life."

See a box—6 for \$2.50—at all dealers, and money back if they fail to give relief. See free. National Drug & Chem. Co. of Canada, Limited, Toronto.

Provincial News

Probably one of the maddest deaths that has yet been reported in this district is that of Mrs. H. G. Vickery, brother of town which happened suddenly on Sunday morning at 10 o'clock. She was a widow, 40 years of age, and had been married for 18 months. A great burden had fallen upon the father for these little ones, as the loving tenderness of a mother is a great loss.—Strome Dispatch.

Edmonton, Feb. 2.—Edward Young and Fred Farmer, who escaped on Tuesday from the south side jail, have again made a getaway, this time from the R.N.W.M.P. barracks, where they were transferred Friday, after being committed for trial on a charge of "breaking and entering." Their escape succeeded in getting out of the jail, but not beyond the fact that the men have again failed. The men of the law, the officer in charge of the police station will say nothing.

GENERAL NEWS

The budget campaign has started in earnest in all the Presbyterian churches. This campaign calls for the raising of \$1,000,000 during the year 1914 by the different Presbyterian churches of Canada from Quebec to the western provinces. Each synod has been called upon to raise a proportion of this amount and the money when secured will be used for various church purposes. Fifty per cent of the sum will go to home missions, 27 per cent to foreign missions, 7 per cent to social service, 7 per cent to colleges in the Dominion and the balance to various other worthy schemes of the church.

Exeter, Ont., Jan. 29.—By a majority of 2,586 votes the Canada Temperance act was carried in Huron county today. Only one township and village gave a majority against the act.

Norfolk, Va., Jan. 30.—Forty-nine lives were lost when the old Dominion liner Montrose was sunk off Wiltz Quar by lightning just before 2 o'clock this morning by the Merchants and Miners liner Nantuxet. The Nantuxet with her bow crumpled and otherwise damaged was slowly sinking but was able to float early today with about 35 survivors. As the Nantuxet carried a passenger list of 14 and a crew of 9 the loss of life from what might be reported as coming in from the wireless would seem to be about 50.

"HOD AND GUN" of Woodstock, Ont., has put out an exceptionally good issue for February 1914, both as regards the character of the reading matter and the quality and interest of the illustrations. That well known writer and naturalist, Bonnycastle Dale, contributes an article entitled the Bearman, descriptive of a ranch where hours are successfully raised in captivity. A humorous strain runs through the story a slight departure but an entertaining one, from this writer's ordinary style. "Prints from Canadian Trails" is a continuation of the fine series that is being contributed to this magazine by H. Mortimer Batten. "The Dominion Forests" as seen by an American writer, is beautifully illustrated; Edward Beck writes under the heading "A Nova Scotia Discovery" of the excellent caviar that is to be obtained in that province. A Report is given of the recent annual meeting of the North American Forest, Fish and Game Protective Association by A. H. Smith; and every page of this issue packed full of interest, or information, or the Canadian or American sportsman.

Photographs Best Insurance
